## Interim Results Information Meeting As of September 2006

## November 8, 2006 AIFUL CORPORATION

#### Abstract

— Forward Looking Statements - The figures contained in this presentation with respect to the plans, strategies and other statements that are not historical facts of AIFUL and the AIFUL Group are forward-looking statements about the future performance of AIFUL and the AIFUL Group which are based on management's assumptions and beliefs in light of the information currently available to it and involve risks and uncertainties. Actual results may differ from those in the forward-looking statements as a result of various facts. Potential risks and uncertainties include, without limitation, general economic conditions in the market in which AIFUL and the AIFUL Group operate business, and changes in the size of the overall market for consumer loans, the rate of default by customers, and the level of interest rates charged by AIFUL and the AIFUL Group. This presentation does not constitute any offer of any securities for sale.
